

Overview

Zain & Co.'s Corporate department handles a wide range of corporate and commercial work. Through our long experience working across a plethora of industries, we pride ourselves in our in-depth understanding of the markets and sectors in which our clients compete.

Our involvement in a broad spectrum of industries also ensures that our lawyers are well-rounded, with varied backgrounds and specializations, while constantly staying in touch with commercial realities. The end result is an experienced, skilled and versatile pool of lawyers that we can readily draw on to best suit our clients' needs. Crucially, we understand the importance of providing not just legal but also commercial solutions.
