

Overview

In the firm's characteristic pioneering spirit, Zain & Co.'s Real Estate and Banking department was involved in the first Islamic financing facility raised by a foreign bank in the country. The firm prides itself in being one of the first to be engaged by Bank Islam Malaysia Berhad for Islamic finance transactions.

The department is also active in the conventional banking and finance sector as well as the real estate sector, with extensive experience in cross-border as well as large-scale and complex real estate transactions.

Practice areas:

- Banking and Finance
- Islamic Banking
- Real Estate and Construction
